TEA's Safety Round Table meetings provide an informal networking opportunity for those within member organizations who have responsibility for safety, health and the environment. Participants receive immediate feedback on their workplace issues and concerns from 12 – 20 other Safety professionals. For most meetings, there is a guest presenter on topics such as MIOSHA inspections, workers compensation cost management, ergonomics, organizing effective safety committees, hazard communication, industrial hygiene, and other relevant subjects.

Meetings are held the second Thursday of every other month (beginning in January) lasting from noon until 1:30 pm. These are luncheon meetings held at TEA offices located at 5570 Executive Parkway in Grand Rapids and are facilitated by a member of TEA's staff. The cost for membership in the Safety Round Table is \$150, billed in advance for the entire year.
