

DIVERSITY, EQUITY, & INCLUSION ROUND TABLE

Capitalize on the Value of Diversity!

This Round Table is a benefit to Association members interested in enhancing their organizational work done regarding workplace Diversity, Equity, & Inclusion (i.e. generational, personality, socio-economics, racial, language, abilities, etc.). It meets monthly (except for July) to network and discuss emerging business trends in DEI as well as current concerns for Round Table participants. The meeting discussions are driven by the participants based on their needs and interests and is intended to provide a balance between strategic work and resolving new or existing challenges. The benefits of participation include:

- Sharing with, and learning from, other leaders in multiple industries
- Identifying DEI approaches that have been successful in West Michigan businesses
- Building relationships with others who have a business interest in Diversity, Equity, & Inclusion
- Collaborating with others to address issues affecting many organizations (and the community in which we live and work)

The Diversity, Equity, & Inclusion Round Table is held on the 2nd Thursday of each month (May through April - No July meeting) from 7:30 am - 9:00 am. It connects in-person at The Employers' Association, virtually and within an online community. When meeting in-person, TEA provides a meeting facilitator and a meal (during virtual meetings no meal is provided). The online Diversity, Equity, & Inclusion Round Table community is always available to keep participants connected with one another and important DEI topics.

The cost for the full season (May - April) is \$225 and is prorated based on the month in which you join.
