

INCLUSION & DIVERSITY ROUNDTABLE

Capitalize on the Value of Diversity!

This Round Table is a benefit to Association members interested in enhancing their organizational work done regarding workplace Inclusion & Diversity (i.e. generational, personality, socio-economics, racial, language, abilities, etc.). It will meet monthly (except for July) to network and discuss emerging business trends in I&D as well as current concerns for Round Table participants. The meeting discussions will be driven by the participants based on their needs and interests and is intended to provide a balance between strategic work and resolving new, or existing, challenges. The benefits of participation include:

- Sharing with, and learning from, other leaders in multiple industries
- Identifying I&D approaches that have been successful in West Michigan businesses
- Building relationships with others who have a business interest in Inclusion & Diversity
- Collaborating with others to address issues affecting many organizations (and the community in which we live and work)

The Inclusion & Diversity Round Table will be held on the 2nd Thursday of each month (May through April - No July meeting) from 7:30 am - 9:00 am at TEA offices (*breakfast provided*). The Round Table will be facilitated by an Inclusion & Diversity/HR expert.

The cost for the full season (May - April) is \$225 and is prorated based on the month in which you join.
