

## LEARNING & DEVELOPMENT ROUND TABLE

### Leading Talent Development

This Round Table is a benefit to Association members interested in evaluating, enhancing, and managing their learning & development strategy. It meets monthly (except for July) to network and discuss trends, approaches, and best practices in training and employee development. The meeting discussions are driven by the participants based on their needs and interests and is intended to provide a balance between strategic work and resolving new or existing challenges. The benefits of participation include:

- Sharing with and learning from others responsible for learning & development in multiple industries
- Identifying performance improvement and training practices that have been successful in West Michigan businesses
- Building relationships with others who want to improve the effectiveness of their learning and development function

The Learning & Development Round Table is held on the 2nd Friday of each month (May through April - No July meeting) from 7:30 am - 9:00 am. It connects in-person at The Employers' Association, virtually and within an online community. When meeting in-person, TEA provides a meeting facilitator and a meal (during virtual meetings no meal is provided). The online Learning & Development Round Table community is always available to keep participants connected with one another and important Learning & Development topics.

**The cost for the full season (May - April) is \$225 and is prorated based on the month in which you join.**
