## SAFETY ROUNDTABLE

Do you have SAFETY.....Questions? Answers? Suggestions? Issues?

TEA's Safety Round Table meetings provide an informal networking opportunity for those within member organizations who have responsibility for safety, health and the environment. Participants receive immediate feedback on their workplace issues and concerns from 12 – 20 other Safety professionals. In addition to discussions, there are guest presenters throughout the year on topics such as MIOSHA inspections, workers compensation cost management, ergonomics, organizing effective safety committees, hazard communication, industrial hygiene, and other relevant subjects.

The Safety Round Table is held the second Thursday of every other month lasting from noon until 1:30 pm. It connects in-person at The Employers' Association, virtually and within an online community. When meeting in-person, TEA provides a meeting facilitator and a meal (during virtual meetings no meal is provided). The online Safety Round Table community is always available to keep participants connected with one another and important safety topics.

***The cost for the full season (May - April) is \$150 and is prorated based on the month in which you join.***
